The Transferable Skills Activity is most useful for:

• Helping you to realize the skills you have gained in college that can be used in any job or career
• Giving you material to highlight on your resume and cover letter
• Allowing you to recognize what skills you want to develop further
• Giving you talking points in interviews or informational interviews

Directions:

Throughout the course of your experiences, you have gained competencies in many areas. This chart will help you to realize your strong points that you can apply to career decision-making, as well as to transitioning to different fields. Check the transferable skills that you possess and highlight those you may want to develop.

Things to think about:

• Was this activity helpful? Why or why not?
• Did the Transferable Skills Activity help you to recognize skills that you’ve gained in college?
• How can you apply this to your job search process or career decisions?
• Is there a way to incorporate what you have learned from this activity into your resume or cover letter?

If you would like to talk to someone about this activity or need additional resources, Career Services is available to all students! Check out our website to make an appointment or to see upcoming events and workshops: http://www.careers.vcu.edu
